Dear Kurt,

No, I have not received such an invitation.

Best regards,

Peter

Dear IARC Monographs Participant,

After many years of funding of the Monographs by the EU, several of us (including the PI of the project) have received for the first time ever the survey invitation below.

For our better understanding, we would like to know if other WG participants have received a similar invitation.

A quick and simple response (yes/no) would be appreciated.

Best regards,

Kurt

Subject: Invitation to participate in the follow-up survey of the event funded by the Programme for Employment and Social Innovation (EaSI)

Dear Kurt Straif,

You have participated in the Meetings on IARC monographs 112 and 113 in Lyon or other events financed by EU Programme for Employment and Social Innovation (EaSI). As such, we would be most grateful if you could spare 5 minutes to complete a short follow-up questionnaire about the event, in particular how you felt it benefitted you. This survey is being conducted by Public Policy and Management Institute on behalf of the European Commission's DG Employment, Social Affairs and Inclusion. Its results will feed into the Performance Monitoring Report of the programme EaSI. Performance monitoring of the programme relies on a variety of monitoring information sources, of which this survey is one.

We invite you to fill in an online questionnaire at

http://surveys.ppmi.lt/s/EaSI_workingconditions/?lang=en&code=p4vv3wstfk. You will be able to stop and save your replies at any time, and can then return later to complete your answers using the same link.

The questionnaire is available in English, French and German. Please note that your responses and contact details will be kept strictly confidential and will not be divulged to anyone.

If you have any questions about this survey please contact us at EaSI_survey@ppmi.lt

We would be grateful if you could complete the questionnaires by October 8, 2015.

Thank you in advance for your participation.

Yours sincerely,

Haroldas Brožaitis
